### The Prayer at Valley Forge

Originally painted in 1976 to honor our country's bi-centennial year, "The Prayer at Valley Forge" in the last 30 years has become increasingly cherished and recognized as a supreme 20th century masterpiece of patriotic American art. In it we feel the cold, the suffering, and the weight of the burden falling on the tall and lonely man, driving him to his knees there in the bitter snows of Valley Forge.

Above are 3 beautiful framed Gicleé on Canvas and 1 unframed large Gicleé on Canvas presentations of "The Prayer at Valley Forge" for your consideration.
